Quality Childcare Built on Trust

Support Your Community, Earn an Income & Nurture the Next Generation by Becoming a School-Linked Childminder.

@Home Childcare, in partnership with Azhar Academy, is offering a unique opportunity for parents and community members to become home-based childminders linked to the school.

This is more than a career - it's a chance to provide faith-aligned, high-quality childcare to families who share your values. As a childminder, you will play a vital role in a child's Tarbiyah (moral and spiritual development) while offering trusted, flexible childcare within your own home.

Why Become a School-Linked Childminder?

-  **Faith-Aligned Childcare** – Provide care rooted in Islamic values while supporting families in your community.
-  **Earn an Income from Home** – With growing government-funded childcare, childminders can earn up to £35,000+ per year.
-  **Full Training & Support** – We help you register, train, and build a successful childcare business.
-  **A Strong School Connection** – Work in partnership with the school to aid transitions and nurture young learners.
-  **Flexible & Family-Friendly** – Run your business from home, on your terms, while making a meaningful impact.

**"The best among
you are those who
bring the most
benefit to others."**

– Prophet Muhammad (PBUH)

Childminding is a **beautiful way to serve your community** while creating a stable, rewarding livelihood for your own family. By opening your home to young children, you provide a **safe, loving environment** that supports both **early education and faith-based growth**.
